

EEA special email vote
September 17, 2010
Via doodle

MOTION (Sharon Smith) to vote has been called. Motion is to adopt the logo presented by the public relations committee (below). This logo will replace the book/child logo and be used on our electronic and print marketing materials moving forward.

The PR and executive board committees have been working these last few weeks to develop a logo with our graphic designer that we felt was clean and engaging, and both modern but reflective of our past. We will be able to use the negative of this logo as well as change the colors as necessary for the new website.

MOTION SECONDED (Joey Giunta)

MOTION APPROVED with a quorum.
