

# The Symbolic Migration Leader Packet 2021-2022

**Send an Ambassador Monarch to Mexico!**  
The Symbolic Migration unites youth across North America  
through the migration of ambassador butterflies.

*The Symbolic Migration is a partnership project between Journey North, a program of the University of Wisconsin-Madison Arboretum, and Monarchs Across Georgia, a committee of the Environmental Education Alliance, a 501(c) (3) organization.*

# Welcome to the Symbolic Migration

Join us for the 26th annual "Symbolic Monarch Migration" with youth from across North America! **Families, home schools, nature centers, youth groups, and classrooms are welcome to participate.**

In the fall of 2020, five thousand youth in the United States and Canada created symbolic butterflies and sent them to Mexico for the winter. Students in schools near the Mexican monarch sanctuaries protected the butterflies and sent them north in the spring of 2021. These symbolic butterflies build bridges of communication between students in Mexico, the U.S., and Canada. United by the monarch butterfly, children across North America learn authentic lessons of conservation, cooperation, and ambassadorship.

## Notes

### Overall Quality

All butterflies should represent the quality and beauty of a real monarch. Take time and care. Your Ambassador Butterfly will become your gift to a student in Mexico.

### Individual Life-Sized Butterflies

Each member of your group will make an individual monarch (EACH ONE labeled with their **first name, school/group/family, town, state/province and leader's email**). Your group will receive these life-sized butterflies next spring made by participants across North America so you can continue the cycle of friendship and stewardship.

NOTE: This project reflects the real migration. It is a long journey and not all migrating butterflies make it. This is a group project and a 1:1 ratio of returning life-sized monarch butterflies cannot be guaranteed.

# Step-By-Step Overview

**Postmark deadline: October 8, 2021**

## Step 1: Purchase Your Passenger Ticket

To cover the costs of this important educational project, participants must buy a **\$15 "Passenger Ticket" for each Ambassador Butterfly packet submitted**. These funds will support school visits in Mexico to deliver butterflies and provide conservation education. Purchases are made through the Environmental Education Alliance's secure website at this link <https://bit.ly/PassengerTicket2021> with credit/debit cards (Discover, Mastercard or Visa) or mailed checks (USA banks only). An unlimited number of Passenger Tickets can be accommodated in one transaction if the return mailing address is the same for all groups.

## Step 2: Print Checklist

Print the step-by-step checklist on page 8. It includes the address to which your Ambassador Butterfly and enclosures must be mailed and other important information. Use it as your check-off guide.

## Step 3: Make Your Ambassador Butterfly & Enclosures

Follow the detailed instructions on page 4. Members of your group will collaborate to make an Ambassador Butterfly that will travel to Mexico. This butterfly will carry a cluster of life-sized monarchs made by each member of the group, the "Hello Friends/Hola Amigos" Letter and your Passenger Ticket. Optionally, a group photo, postcard or one-page note written in Spanish can be included. Secure all enclosures safely inside your Ambassador Butterfly. Optionally, take a photo of your Ambassador Butterfly to upload when you report to the Participant Map in Step 5 (below).

## Step 4: Pack & Mail Your Envelope

Pack your Ambassador Butterfly, cluster of life-sized butterflies, "Hello Friends/Hola Amigos" Letter, Passenger Ticket, and optional items into an envelope. Address the envelope to "Send a Monarch to Mexico!" c/o Symbolic Migration, 1497 Candleberry Court SW, Lilburn, GA 30047 USA. Your completed packet must have the correct postage and be postmarked no later than October 8, 2021.

## Step 5: Report to Journey North's Symbolic Migration

**Participant Map** If you are not already registered with Journey North, you will need to first register. Complete directions for this procedure are at this link <https://journeynorth.org/symbolic-migration/resources/article/07282020-how-register-and-submit-sighting>. **Be sure to include the leader's name, school/group/family, town, and state/province in the "Comments" section.**

Your report and uploaded photo will appear on this **List of Participants**. <https://journeynorth.org/sightings/querylist.html?map=symbolic-monarch-participants&year=2021&season=fall>

Your location will appear on this **Participant Map**.

<https://maps.journeynorth.org/map/?map=symbolic-monarch-sent&year=2021>  
Unfortunately, the map can only display one dot at each location, and clicking on the dot will only show one report (the most recent record reported). We suggest that if multiple groups will be reporting from the same address, one leader should act as liaison and a photo collage of all the Ambassador Butterflies be uploaded for that address. All individual reports and photos will appear on the **List of Participants**.

# Make Your Ambassador Butterfly & Enclosures

## **An Ambassador Butterfly is made from a letter-sized file folder.**

Transform a **letter-sized file folder** into a beautiful butterfly! Brainstorm ways to design, build, and decorate a sturdy butterfly that will be able to travel to Mexico. Decorate your butterfly in ways that represent your class as a monarch ambassador. This butterfly will remain in Mexico as your gift to the student that receives it. Examples of Ambassador Butterflies can be viewed at <https://www.ealliance.org/ambassador-examples.html>.

### **Please do not use glitter or attach bulky materials to the folder!**

The leader's name, school/group/family name and full address must be clearly written on your Ambassador Butterfly. Make sure that this address matches the address that you submitted online when you purchased your Passenger Ticket.

## **Enclosures for your Ambassador Butterfly:**

- **A Cluster of Life-sized Monarch Butterflies**

Each member of your group creates one colorful, life-sized monarch (preferably from the template on page 5). This template is also available electronically as a Google Doc at [Life-Sized Butterfly Template](#), giving you the ability to enter contact information before printing, and ensuring legibility.

**The artist's first name, school/group/family name, city, state/province, country and leader's name and email** are included on each life-sized monarch. (Preprinted address labels can also be used.) Form a cluster by putting the life-sized monarchs into a **plastic sandwich- or quart-sized Ziploc bag** and placing it inside the Ambassador Butterfly folder.

- **The "Hello Friends/Hola Amigos" Letter**

Print one copy of the "Hello Friends/Hola Amigos" Letter (page 6 or electronically as a pdf at [Hola Amigos Letter](#)). Mark the map with an X to show where you live and draw an arrow to show the migration route to Mexico. Use Google Maps to measure the distance in kilometers from your location to Angangueo, Michoacan, Mexico and fill in the blanks with your town, state/province and country. Complete the Letter in both Spanish and English. *It's exactly the same information in both languages!* Place this Letter inside your Ambassador Butterfly folder.

- **Group Photo, Postcard or Note Written in Spanish (Optional)**

As an option, you can include a group photo, enclose a postcard or a one-page note written in Spanish from your group. Place these items inside of your Ambassador Butterfly folder. **Please DO NOT include stickers, food items or other gifts.**

- **Your "Passenger Ticket"**

Print a copy of your "Passenger Ticket," the email receipt of your online payment and place it inside of your Ambassador Butterfly folder.
